Why should I take Hazwoper?

This class is for general site workers (such as equipment operators, general laborers and supervisory personnel) engaged in hazardous substance removal or other activities which expose or potentially expose workers to hazardous substances - including hazardous waste.

Topics covered include how to prevent spills and proper storage, handling and inspection of containers. Employees who are engaged in one of the following operations as specified by OSHA CFR 1910.120(a)(1)(i-v) and 1926.65(a)(1)(i-v) should also attend.

What will you learn in this training?

- Regulation Review
- Hazard Recognition
- Toxicology
- Personal Protective Equipment (PPE)
- Air Monitoring Equipment
- Fire Protection
- Work Procedures
- Site Operations
- Site Safety Plans
- Medical Surveillance
- Decontamination
- Site Control
