

SOLOGIC RCA ANALYST LEVEL 1

Why take RCA Analyst Level 1 Training?

It has been calculated that RCA practitioners help save an average of \$25,000 per RCA. This is just one reason why over 99 percent of past students say they would recommend this course to their colleagues. You will gain the knowledge, tools, and confidence to lead successful root cause analyses.

What will you learn in this training?

- Facilitate a root cause analysis based on evidence and logic
- Unite around a common, scalable RCA methodology
- Gather and preserve evidence, interview stakeholders and form an investigation team
- Build a cause and effect logic diagram
- Recognize and correct systemic causes
- Pinpoint effective solutions
- Build resilient error-proof systems
- Utilize Causelink software
- Communicate findings, solutions and trends
- Removes focus from generalization, opinion, and finger-pointing
- Shifts the focus to evidence, logic, causes, objectivity, and collaboration
